

CS Kandal  
Director.

i have cleared my ssb in 1AFSB Dehradun in the very first attempt of defense exam.  
my experience of training from CS ACADEMY of very helpful for me to get through ssb in my first attempt.  
In institute i learnt all the key points which i should keep in mind to clear various different rounds of ssb.  
here we are taught with the live training by well efficient faculty like KANDAL Sir and SINHA Sir and real time experiences of day today life.  
apart from the key features of ssb training,under the guidance of MAJ GEN Kandal sir i learnt the essence of positive thinking and dealing with small problems which we face in our daily schedule.  
now i always deal my all obstacles with his thought which i implemented in my life"problem is not with people but with the situation"  
i would like all the students who want to clear there ssb as well as learn various small things which we should keep in mind while dealing with various defense exams, should definitely join CS Academy BHOPAL.  
the 2 weeks training would be your life time memorable and keys to clear your small as well as big obstacles to clear SSB.
