

To,

Respected Kandal sir and Chiranjeev sir

With the blessings of Almighty god and the blessings of my parents and teachers I would like to say that I am recommended as ASSTT. COMMANDANT in CRPF through UPSC CPF (AC)-2010 exam.

This successful journey towards destination is completed because of valuable guidance given Maj. Gen. Kandal Sir and Chiranjeev Sir during my interview preparation which changes my attitude and way of thinking not only for selection in exam but also to live a successful life. The classes taken up in C. S. Institute teach the way of thinking like an officer and also develop officer like qualities which help me to get good marks in interview.

I will always remember and acknowledge C.S. Institute of Defense and management for this achievement and the teachings given by both legends in my carrier.

I can say this is one of best institute for the aspirants who is preparing for defense.

With Warm Wishes

Yours sincerely
