

C.S. Institute of defence and management.

Needless to say it is the alma mater for making me understand the worth of my existence. The final step where an individual is made to introspect and assess himself and is very well guided and brought up amidst a healthy environment good enough for the person to bring out the best in his personality - not only for SSB, but for ones entire lifetime - And there is always a scope for improvement. A destination where one's individuality and originality comes to the forefront and takes charge of the situation. Here, at C.S. Insti, ones view of life goes for an entire change & one thing is embedded deep in the head - ALL DIFFICULT SITUATIONS HAVE A SOLUTION (something known in SSB terminology as POSITIVE ATTITUDE).

A superb faculty and beautiful hospitality is what is the reason for the above mentioned.

Thank you C.S. Institute for guiding me to bring out the best in me and making me realise the worth of my existence.

Deep regards to M.P.S. sir, C.S. sir, Ma'am's and love to the very famous Angad.

Sincerely yours,

(RAHUL MALIK)
