

Testimonial

I owe my sincere thanks to the **Major General Sir** for his guidance for the procedure of SSB. I made it a point to inculcate all the points what sir always used to emphasize in my day to day life to become a better person and it helped me a lot. I would also like to thank CS Kandal Sir all the efforts he used to put in order to highlight my qualities and this improved my performance. Both big and small teachings that i learned from the institute has also helped me a lot in my life. Thanks a lot sir sir for your able guidance.
